

ASPMN® 20th National Conference

*Expanding the Boundaries of Pain
Management Nursing:
The Next 20 Years*

September 22-25, 2010

Hyatt Regency Minneapolis · Minneapolis, MN

THE GOALS OF THE 20th NATIONAL CONFERENCE ARE TO:

- Offer information to increase the knowledge of clinicians whose skill levels range from basic to advanced on a variety of pain management topics
- Investigate the multiple disciplines that offer clinicians opportunities to develop new skills to meet the needs of patients with pain
- Provide contemporary information that augments existing evidence-based pain management strategies
- Explore current nursing research as it relates to the pain process and management
- Encourage pain management nurses to become certified through preparation and testing
- Promote a comfortable learning environment that meets learner needs

THE NATIONAL CONFERENCE WILL INCLUDE:

- Nationally recognized speakers and leaders in the field of pain management
- Pre-conference educational opportunities for additional learning
- Innovative educational sessions
- Incorporation of technology and human touch in pain management practice
- Networking opportunities

The American Society for Pain Management Nursing's mission is to advance and promote optimal nursing care for people affected by pain by promoting best nursing practice. This is accomplished through education, standards, advocacy, and research.
