

***Please join us
Saturday September 12th at 5:00 pm
in the Grand Ballroom 2nd Floor Hyatt Regency***

**Please join us for a complimentary symposium on
Risk Evaluation and Mitigation Strategy (REMS)
for The FOCUS™ Program for Onsolis™**

This symposium is a 60-minute session that will consist of a 45-minute presentation, followed by a 15-minute LIVE Q&A session. Due to seating capacity, attendance will be limited to the first 400 registered guests. Dinner will be provided.

Pre-register for this symposium by using the following link:
<http://events.signup4.com/FOCUS-ASPMN>

Due to state laws, we are sorry that we cannot extend our hospitality to provide complimentary meals associated with this symposium to healthcare professionals licensed to practice in Massachusetts, Minnesota, and Vermont.

The FOCUS™ Program for Onsolis™ has the following goal:

To mitigate the risk of Onsolis™ overdose, abuse, addiction, and serious complications due to medication errors by:

- Helping to assure proper patient selection, including avoidance of the use of Onsolis™ in opioid nontolerant patients
- Reducing the risk of exposure to Onsolis™ in persons for whom it was not prescribed, including accidental exposure in children
- Training prescribers, pharmacists, and patients about proper dosing and administration.

PRESCRIBER EDUCATION, ASSESSMENT AND ENROLLMENT

Before you can enroll in the *FOCUS™ Program for Onsolis™*, you must complete the Prescriber Education and Knowledge Assessment. Satisfactory completion of the Knowledge Assessment is required.

For additional information on The FOCUS™ Program for Onsolis™, visit **booth #12** in the main convention ballroom or **visit www.onsolisfocus.com** .
